## TECHNICAL SKILLS

- **Languages:** C, C++, Java, JavaScript
- **Technologies:** (MERN Stack) React.js, Node.js, Express.js, MongoDB, Git, GitHub
- **Core Skills:** Data Structures & Algorithms, Problem-Solving, Responsive Web Design

## INTERNSHIP

### MuskOwl Pvt.

Web Developer Intern

May 2022 - July 2022

- **Developed & optimized 5 responsive web applications** using **HTML, CSS, JavaScript, and React**, boosting user engagement by **35%**.
- **Ensured cross-browser compatibility**, optimizing performance across multiple devices and reducing bounce rates by **15%**.
- **Implemented Git-based version control**, managing **3 concurrent projects**, improving collaboration and maintaining high code quality.

## PROJECTS

### Arogya-Care

Aug 2024 - Feb 2024

- Engineered a **scalable healthcare portal** for doctor appointments and medicine purchases.
- Built a **responsive, user-friendly UI** using **React.js**, ensuring seamless navigation and an intuitive booking experience
- Developed a **Node.js & Express.js backend** with **MongoDB**, enabling secure user authentication and real-time data management.

### Diploma Net – E-Library Platform

Sep 2024 - Oct 2024

- Created a **MERN-based e-library**, allowing students seamless access to study materials.
- Utilized a **responsive UI** with **React, HTML, CSS, and JavaScript**, improving accessibility.
- Integrated a **Node.js & Express.js backend** with **MongoDB**, ensuring efficient data storage and retrieval.

### Vehicle Parking Management System

Oct 2024 - Dec 2024

- Designed a **web-based application** to assist **parking owners and shopkeepers** in efficiently managing **vehicle check-ins, check-outs** and **recording vehicle details**.
- Implemented **PHP and MySQL** for secure data management and streamlined operations.

## CERTIFICATIONS & ACHIEVEMENTS

- Awarded **Gold Medal** for Academic Excellence at Pacific University, Udaipur.
- Ranked among **Top 10% of students** of the department in Lovely Professional University
- Won the title of "**CSE Section of the year 2024**" at Lovely Professional University
- Cloud Computing | SWAYAM-NPTEL, **IIT Kharagpur**.
- Competitive Programming Certification from **Hitbullseye**.
- Server side JavaScript with Node.js from **Coursera**

## EDUCATION

### Lovely Professional University

BTech in Computer Science & Engineering - 7.56

Expected - May 2026

### Pacific University (PAHERU)

Polytechnic in Computer Science & Engineering - 84.65%

July 2020 - May 2023
